As adopted by the board on 30 November 2022

Article 1

Stichting DE 4DAAGSE has set the maximum number of participants that will be accepted for the 105th edition of the 4Days Marches at 47,000.

Article 2

The only way of registering is to use the registration module on the website (www.4daagse.nl) or to complete and send the registration form by post. Registration shall be effected once the Service Desk has received the online registration or the registration form by post.

Registration by post is only possible for those who also registered by post in 2022. Every registration is subject to payment of the registration fee. Mere payment of the registration fee, or the assumption that it has been received, does not constitute registration as such.

Article 3

Registration will close as soon as the maximum number of participants as specified in Article 1 of these *Registration Regulations* has been reached. There are two registration periods. The registration periods are as follows:

Period 1

From Monday 23 January 2023 (10.00 hrs CET) until the maximum number of participants as specified in Article 1 has been reached or, if the maximum number of participants is not reached, until Friday 10 February 2023 (17.00 hrs CET) for all persons duly registering for reward 2 or higher or who were born between 2005 and 2011.

If the maximum number of participants is reached in period 1, there will not be a second registration period.

Article 4

The date and time the registration and payment were received by the Service Desk shall be decisive in respect of the registration closing dates referred to in Article 3. Any registration

received later, and any incomplete or incorrectly completed registration will be returned or deleted. Substitute, conditional or alternative registrations are not an option.

Article 5

The method of registration and the choice of such method shall be the entrant's own responsibility. Stichting DE 4DAAGSE shall not be liable for any failure occurring at the time of or during Internet traffic or postal delivery. Any time lost between the time of dispatch and the time of receipt of registration by the Service Desk shall be for the risk of the entrant.

Article 6

A previous participation as a companion or participation in a non-regulation distance does not count as participation or completion.

Article 7

If the maximum number specified in Article 1 has not been reached at the end of the second registration period, there will not be an extra registration period.

Article 8

Stichting DE 4DAAGSE shall confirm participation of those who have registered correctly and whose registration is acceptable in accordance with the regulations.

Article 9

Stichting DE 4DAAGSE may refuse the registration of anyone registering more than once in the name of the same natural person, unless there is evidence that the person registering was not at fault. Article 10

All participants shall have the right to cancel their registration on [My 4Days](#) or in writing within a reasonable period; they need not state a reason. Any registration fee paid shall be returned with no entitlement to interest. The end date for the reasonable period shall be 14 days after receipt of the registration fee.
