

2022 4Days Marches Restriction Protocol

As adopted by the board on 15 November 2021

Article 1

Stichting DE 4DAAGSE has set the maximum number of participants that will be accepted for the 104th edition of the 4Days Marches at 47,000.

Article 2

The only way of registering is to use the registration module on the website (www.4daagse.nl/en) or to complete and send the registration form by post. Registration shall be effected once the Service Desk has received the online registration or the registration form by post. Registration by post is only possible for those who are registering for reward 2 or higher. Every registration is subject to payment of the registration fee. Mere payment of the registration fee, or the assumption that it has been received, does not constitute registration as such.

Article 3

There is a single registration period for the 104th 4Days Marches and that is from Monday 14 February 2022 (10.00 hrs CET) to Friday 25 March 2022 (17.00 hrs CET) inclusive.

Article 4

The date and time the registration and payment were received by the Service Desk shall be decisive in respect of the registration closing dates referred to in Articles 3 and 9. Any registration received later, and any incomplete or incorrectly completed registration will be returned or deleted. Substitute, conditional or alternative registrations are not an option.

Article 5

The method of registration and the choice of such method shall be the entrant's own responsibility. Stichting DE 4DAAGSE shall not be liable for any failure occurring at the time of or during Internet traffic or postal delivery. Any time lost between the time of dispatch and the time of receipt of registration by the Service Desk shall be for the risk of the entrant.

Article 6

If the maximum number of registrations is exceeded, a draw shall be held amongst those registered to take part in the 104th 4Days Marches.

The following people will be exempt from the draw:

- anyone who was registered to take part in the 4Days Marches in 2020 and paid the registration fee as applicable at that time. The latter point does not apply to those who cancelled in 2020 and were refunded the registration fee in full;
- anyone whose participation in the ‘Via Vierdaagse’ training and support programme for first-time entrants has been accepted, subject to Article 14.

The draw is weighted.

- A weighted chance of success of two will be allocated to the following people to increase their probability of being drawn:
 - anyone born in the calendar years 2007-2010;
 - anyone registered to take part with the intention of gaining reward 2 or higher;
- People who do not fall into either of these two categories will have a weighted chance of success of 1.

Previous participation as a companion does not count as participation or completion as set out in this article.

Article 7

Stichting DE 4DAAGSE shall ensure that the draw is supervised by a notary.

Article 8

If the maximum number specified in Article 1 has not been reached at the end of the registration period, there will be an extra registration period. Stichting DE 4DAAGSE shall set the maximum number for those wanting to take advantage of this extra registration period. During the extra registration period, registration will be possible using the website registration module only, from 10.00 hrs CET on Monday 4 April 2022 to 17.00 hrs CET on Friday 29 April 2022 or however much sooner the last acceptable registration, subject to the maximum number specified in Article 1, is received by the Service Desk.

Article 9

Every registration is subject to payment of the registration fee as per the provisions of Article 2. The payment due date for participants not subject to a draw, as specified in Article 6, is 17.00 hrs CET on Friday 25 March 2022.

The payment due date for those drawn to participate is 17.00 hrs CET on Monday 18 April 2022.

Other rules apply to those taking part in the ‘Via Vierdaagse’ programme.

Article 10

Stichting DE 4DAAGSE shall confirm participation of those who have registered correctly and whose registration is acceptable in accordance with the regulations. The names of

those drawn to participate shall be announced by Stichting DE 4DAAGSE. Those whose names are not drawn may not participate.

Article 11

Stichting DE 4DAAGSE may refuse the registration of anyone registering more than once in the name of the same natural person, unless there is evidence that the person registering was not at fault. Stichting DE 4DAAGSE may also refuse the registration if the person registering cannot satisfactorily meet the request to submit proof of the data registered.

Article 12

All participants shall have the right to cancel their registration in writing or on [My 4Days](#) within a reasonable period; they need not state a reason. Any registration fee paid shall be returned with no entitlement to interest. The end date for the reasonable period shall be 14 days after receipt of the registration fee.

The date of receipt by the Service Desk shall be decisive in respect of the end date.

Cancellations received later will not be accepted, regardless of the reason for cancelling.

Article 13

Any cases not provided for by this protocol or any cases where application of this protocol results in a difference in interpretation shall be decided by the board of Stichting DE 4DAAGSE.

Article 14

Stichting DE 4DAAGSE shall adopt separate rules and regulations governing the registration of military participants, of group participants, and of those who have been accepted as participants in Via Vierdaagse 2022.

Article 15

Stichting DE 4DAAGSE shall adopt separate regulations for registration through the Nijmegen local authority's 2022 'Meedoen' scheme.

Article 16

By registering to participate in the 4Days Marches the participant declares that he/she is familiar with and accepts the provisions laid down by or pursuant to these rules and regulations.

Article 17

These regulations shall be referred to as the 2022 4Days Marches Restriction Protocol.
